

Family Weekly Memo- Jan. 12-16, 2026

Good morning, I hope the wind has not blown anyone away this weekend! I am happy to get a break in the cold weather but this wind is something else!

Term 2 is well underway and this is the peak learning time for students. Last week everyone settled in and got back into routines. This week everyone will be digging into some deep learning and this is usually when we see a ton of growth in literacy. The PAC has graciously sponsored the purchase of RAZ kids for all of our classes. Permission forms were sent home last week. Please return them to your classroom teacher as this is a great supplemental resource for students to access at home and at school as a learning center. Once permission forms are returned, log in information will be sent home.

I am attaching a number of resources for parents to address responsible Social Media use. Please reach out to the school if your child requires additional support during this uncertain time.

Social Media Resource Links for Parents and Caregivers:

Raising Digitally Responsible Youth: A Guide for Parents and Caregivers

Safer Schools also provides webinar sessions for families. We are pushing out, on our district websites, the advertisement for the next **Establishing Safe, Caring & Respectful Digital Communities** session that will take place on January 21. Please consider advertising the next session within your school newsletters (<https://pages.saferchoolstogether.com/erase-family-session>).

Establishing Safe, Caring, & Respectful Digital Communities

Everyone Welcome!

Upcoming Remote Sessions:
