

Family Weekly Memo- Jan. 19-23, 2026

Good morning, I thought now might be a good time to remind everyone about the importance of keeping kiddos home when they are not well. The general rule of thumb is 24 hours at home fever or vomit free before students should return to school. We are being vigilant at school about good hand hygiene to try and reduce the spread of germs but when students are under the weather they should be at home resting.

I am attaching a new hot lunch menu that starts this Friday. Ordering online is the easiest way to order but paper copies can be sent home if requested. As always, the PAC is looking for volunteers to keep the hot lunch program running smoothly. Please reach out if you are able to help on Fridays. A current Criminal Record check is required.

Student and Parent Learning Surveys are open. Students in grade 4 and 7 will be completing them at school next week. Parents of students in **grades 4 and 7** are encouraged to complete them as well.

Parents do not need an access code to complete the survey.

Students in **grades 5 and 6** will be completing the Middle Years Development Index survey next week also.
