Message From The School

Each month our school focuses on a school wide value called the "Monthly Virtue".

April's focus will be:
Confidence

Cell Phones at School

Cell phone use is prohibited at BC schools, by law.

If a student is found taking pictures and/or videos, at any time on school property, their phone will be taken to the office and stored in a lock box, until a parent can come pick it up. **Student safety and privacy is our top priority.**

Attendance Goals

Over the winter, our school struggled with regular attendance for many students. This month, we are aiming for a 10% increase in overall student attendance from winter months. Let's do this Wildcats!

February 2026 – 38% absent
March 2026 – 16% absent
