TIMBERWOLVES
Because we care.

Changing Weather

From now, it's still cold out there but soon (hopefully) there will be puddles in the playground. Please help remind students to come to school with proper outside clothes so they are able to stay warm, dry and enjoy recess outside.

Welcome back! We hope everyone had a restful and enjoyable Spring Break, with time to relax, recharge, and spend time with family and friends.

As we return to school, there is a renewed sense of energy in the hallways and classrooms. April is always an exciting month, bringing longer days, warmer weather, and plenty of opportunities for learning, growth, and connection. Students will continue building on their learning goals while also taking advantage of the many activities and experiences that come with the spring season. We are looking forward to all that this month has to offer—both inside and outside the classroom—and to seeing our students continue to thrive as we head into the final stretch of the school year.

Here Today, Ready for Tomorrow!

GOOD SCHOOL ATTENDANCE MEANS...

PRESCHOOLERS build skills and develop good habits for showing up on time	ELEMENTARY STUDENTS read well by the end of third grade	HIGH SCHOOLERS stay on track for graduation	COLLEGE STUDENTS earn their degrees	WORKERS succeed in their jobs
--	---	---	---	---

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.
