

APRIL 2026

LITTLE PRAIRIE ELEMENTARY NEWSLETTER

Welcome Back from Spring Break!

We hope all of our students and families had a wonderful, restful spring break filled with fun, relaxation, and special moments together. It's so exciting to welcome everyone back to school and jump into the final stretch of the school year!

As we return, our classrooms are buzzing with energy and enthusiasm. This is an important time for learning, growth, and celebrating all the progress students have made so far. We have many engaging activities, projects, and events planned in the coming weeks, and we can't wait to see our students continue to shine.

We encourage everyone to re-establish routines, get plenty of rest, and come to school ready to learn each day. Let's work together to make the remainder of the school year positive, productive, and memorable for all.

Welcome back—we've missed you!

Upcoming Events

- April 3: Good Friday - STAT
- April 6: Easter Monday - STAT
- April 8: Grade 7 Parent Meeting - 6pm
- April 15: Grade 7 Market
- April 20: Mrs. Karcher's class field trip to the Library

Christi Munch
cmunch@sd59.bc.ca

Vice-Principal:
Trisha Warncke
twarncke@sd59.bc.ca

Phone: 250-788-1924

Reminder to ALL parents:

Please **DO NOT** use the bus loop to drop children off. Now that the weather is warmer, students are often allowed to play road hockey in that area, and vehicles entering the loop creates a significant safety concern.

For drop-offs, please use the front parking lot or the baseball diamond parking lot instead.
Thank you for helping keep our students safe.

Principal's Note

It has come to our attention that the amount of gum being chewed at school is increasing.

As a reminder, gum is not permitted, as it creates significant mess and extra work for our custodial staff.

We also ask for your support in reinforcing our footwear expectations. Outside shoes should remain in the boot room, and students are expected to change into a separate pair of indoor shoes upon entering the building.

Recently, many students have not been following this practice, which is contributing to additional cleaning challenges.

We appreciate your cooperation in helping us maintain a clean and welcoming environment for everyone.

Thank you for your support.
