General Morning

Supervision For Students

As the weather continues to get warmer and more students are starting to ride their bikes and walk to school, please remember that general supervision for all students starts at 8:30 a.m. There is no general student supervision before 8:30 a.m. Thank you!

Resident Moose

We have two moose and a selection of other wild animals who are often hanging out around our community, school grounds, and parking lot. Please review wild animal safety with your child(ren) so they know what to do if they encounter a moose or other animals when walking to school, or playing on the playground after school etc.

Thank you!

Thank You to our School PAC

Thank you for all the events you have sponsored and hosted including the school dance and the cup of soup day.

If students are riding their bikes or scooters to school, please remind them that for safety reasons they need to walk their bike or scooter to the bike rack once they reach school property.
