

Family Weekly Memo- May 18-22, 2026

Happy Victoria Day Weekend! I hope you get to enjoy some outside time, even though the weather is not the greatest.

A couple reminders: We are a LEMON FREE school. Please check your yogurt and juice boxes for lemon ingredients. It is surprising what all has lemon in it. Some areas of the school are tree nut free and we have an egg allergy in the K/1 class. If students bring items with an allergen in them, they will be able to eat them in the office. That way we can ensure they wash up and we clean up properly. But it's easiest if these items don't come to school.

Students are bringing toys from home. I know these are fun to play with on the bus and playground but they often cause issues with other students and heartbreak when they are lost or broken. If at all possible, please keep toys at home.

This week:

Monday May 18	NO SCHOOL- Victoria Day
