## **Important! After School Arrangements**

Due to an increase of last-minute phone calls to arrange social plans, we are asking that all students make plans to get together with friends before school. When we hold busses, make additional calls to confirm changes, it impacts many people. Please ensure your child knows what their afternoon social plans are before they come to school.

We understand when there are last-minute appointments or changes to who is picking them up.

## **Primary Dance Classes**

Next week we have a guest instructor working with our K-3 classes. Please send your child in clothes they can move around in and ensure they have inside shoes.

## **The Chicks Have Hatched**

Mrs. Hittel's class has been busy learning about life cycles including the life cycle of a chicken. They have been very excited to share the chicks that have hatched in their class.
