We have had wonderful weather this month, and students are starting to ride their bikes to school. Please watch for children walking and riding bike when you are driving in the school zone and surrounding areas. Parents, please review bike safety rules with your child, ensure they are wearing a helmet and practice crossing the road safely with them.

Allergy Season

If your child has allergies and is bringing their medication/inhaler to school, please ensure you have contacted the office to complete the medication form and have left the medication at the office. For safety of all students, please do not leave medications in backpacks.
