It's hard to believe, but summer weather is finally here and we somehow have just two months left in the school year! This time always seems to fly by, and there is so much still ahead of us.

The weeks to come will be filled with exciting activities, special events, and meaningful learning opportunities for our students. From field trips and year-end celebrations to continued growth in the classroom, there is plenty to look forward to as we head toward the finish line.

We're excited to make the most of these final months together and appreciate your continued support in helping make this a positive and memorable end to the school year.

Crosswalk Safety Reminder – 13th Street

We would like to remind families about the importance of crosswalk safety on 13th Street. Students who are using the crosswalk are being encouraged and reminded to activate the crossing lights before stepping onto the road.

Using the lights helps ensure that drivers can clearly see pedestrians and are aware that someone is crossing. This simple step greatly improves safety for everyone.

We appreciate your support in reinforcing this message at home. Please take a moment to remind your child to always press the button and wait for traffic to stop before crossing. Thank you for helping us keep our students safe!

Wheels, Walking & a Little Bit of Rolling Style

With this beautiful weather finally here, it's officially the season of walking, biking, scootering—and anything else with wheels that gets our students to school with a smile!

As our bike racks start to look like a very organized (and slightly competitive) parking lot, we want to remind students to bring a lock for their bikes. While we trust our school community, even the friendliest bike might be tempted to roll away with a new owner if it's left unlocked!

We also ask that students park their bikes outside on the racks. With limited space inside, we'll be discouraging indoor bike storage.

Thank you for helping keep our school safe, tidy, and just the right amount of “wheely” fun!
