Message From The School

Each month our school focuses on a school wide value called the "Monthly Virtue".

October's focus will be: Responsibility

Ancestor Board

Please read the attached notice about our Ancestor Board project. We hope you will talk with your child(ren) about where and who they came from. Ancestors don't always come from blood, if there is someone who has impacted your family, they're probably an ancestor.

Costume & Candy Rules

Please do not send any candy to share that contains **NUTS**. We look forward to seeing everyone's costumes at the Halloween parade, Oct. 30. **Weapons (fake or real) are not permitted at school.**

Grade 4 & 7, FSA's

Grade 4 and 7 students will write the BC Foundational Skills Assessment this fall. All 4 components will be completed at school.

A note from the Principals desk

It has been a pleasure to welcome students back and see them rekindle friendships and build new ones. Conversations at home about being a good friend, overcoming conflict and teamwork, often help students work through the events of their day and feel supported. If you are noticing a concerning pattern in their day, please reach out to their teacher.

Lockdown Drill

Our first lockdown drill is coming on October 14th. We understand that this might be uncomfortable for some students and families. Staff are committed to ensuring children understand the importance of these drills while balancing their emotional capacity.

Teachers will take great care to ensure students feel safe during this practice drill.

Wish Slip Attachment

Help us, help your child succeed. Tell us about your goals for them on the Wish Slip attached.

Wishes will be shared with students through the year when they need a boost!
