As October comes to a close, we look back on a month filled with fall fun, activities, and opportunities to learn and connect as a school community. The excitement of October has come and gone, and we are ready to welcome November! As the temperatures drop and winter begins to make its appearance, we say goodbye to the beautiful fall season and look forward to the new experiences, learning, and memories November will bring. Thank you to our students, staff, and families for making the last month at Tremblay such a wonderful place to be!

Ms. Wakeham and Mrs. Hammer

Lest We Forget...

UPCOMING EVENTS

Shop the free toy store Wednesday, November 18th and Thursday, November 19th. (Early Dismissal Days.)

Parent Teacher Interviews:
November 18th & 19th - Early Dismissal at 1:40pm for Parent/Teacher interviews. Teachers will be connecting with parents to set up meetings soon. Stay tuned.

Colder Weather Is on Its Way!

As the temperatures begin to drop, we want to remind families that winter weather is just around the corner! When temperatures reach **-20°C,** Tremblay will call an inside morning or inside day to help keep our students safe and comfortable.

Please keep in mind that if the temperature warms up later in the day, students will be expected to go outside for recess and/or lunch breaks. It is important that students come to school prepared for outdoor play every day, including warm coats, snow pants, boots, mittens or gloves, and a warm hat.

A few reminders for inside mornings:

- All students will enter through the two main doors by the gym. All other exterior doors will be locked, with signs directing families to the main entrance.
- Please try to drop off your child as close to the morning bell as possible. This helps us manage the number of students in the building prior to the first bell.

Thank you for helping us keep our Tremblay Timberwolves warm, safe, and ready for learning throughout the winter months! We appreciate your support and cooperation as we navigate the colder weather together.
