LIBRARY NEWS

The Tremblay Home Reading Program has started! Reading sheets have been sent home. Students are encouraged to read for 15 minutes each day, either independently or with assistance. A parent/guardian should fill in the date and signature columns on the chart. Once students have read 10 times, they can return their sheets to school and receive a small prize, Book Bucks to redeem at the school Scholastic Book Fair, and a ticket for the monthly draw.

Library Club is starting this month! It will run from 2:40 to 3:30 p.m. on the following dates:

October 1, 8, 15, 29.

There will be no Library Club on October 22. Permission forms have been sent home, and additional copies are available at the library.

Sora, an online library platform provided by the district, is a great way for students to access e-books and audiobooks from home. Students who have had access in the past may still be able to log in and borrow books through the platform. The complete access rollover will take place once I receive the signed permission forms that were included in the school's beginning-of-the-year permission package.

Have a great month of October filled with reading!

Best regards,
Mme Lauzé, Teacher Librarian
